2021 RE-OPENING DELAYED - PLEASE HELP US SURVIVE THIS STORM!

Regrettably, due the worsening Covid-19 situation, the likelihood of further restrictions being introduced and our ongoing commitment to keeping all service users, staff and volunteers safe, The Pirate Castle will not re-open on 4th January as planned. We all had high hopes for a brighter start to 2021 and are devastated to be starting the new year with our doors closed once again.

Although this is disappointing news, rest assured that we'll be keeping an eye on the situation and are poised to resume activities as soon as restrictions allow and it's safe for us to do so.

We're doing all we can to keep afloat and survive the Covid-19 storm, but we're facing the biggest challenge of our 54-year history. If you can, please make a donation **[1] to help our amazing charity survive, thrive and continue providing safe, stimulating activities that improve physical health and wellbeing, nurture life and social skills and bring people together - regardless of ability or personal circumstance.**

We'll be incredibly grateful for every doubloon or piece of eight, please give as generously as you can to help. Thank you!

As we'll be closed for the immediate term, we're currently working with reduced staff levels and it may take us a little longer than usual to respond to enquiries - please do bear with us.

In the meantime, keep safe and we look forward to welcoming you back to The Pirate Castle as soon as possible.

Take care and best wishes,

The Pirate Castle team
