
SAVE THE PIRATE CASTLE PLEASE SUPPORT OUR CROWDFUNDER APPEAL!

PLEASE JOIN OUR FIGHT TO SAVE THE PIRATE CASTLE!

After 54 years it's sink or swim for The Pirate Castle, Camden's iconic boating charity.

We're doing all we can to survive the Covid-19 storm, but we **NEED YOUR HELP** to make it to calmer waters and keep flying our flag flying for opportunity, adventure and Boating for All in Camden.

We can't let The Pirate Castle sink, so we've launched a [CROWDFUNDER APPEAL to SAVE THE PIRATE CASTLE!](https://www.crowdfunder.co.uk/save-the-pirate-castle) [1]

If we don't act now, there'll be nothing in the tank to keep us going - please give as generously as you can to help us survive and thrive!

It's not all about donations (although every doubloon and piece of eight matters!) - **please boost our chances by sharing our Crowdfunder appeal far and wide with your friends, family, colleagues and networks and encourage them to get on board!**

With your help, Camden's Pirates will prevail!!

Thank you, m'Hearties!
