

Policies & Guidelines

The Pirate Castle is a registered charity (number 1138787) and a company limited by guarantee registered in England & Wales (number 7370167).

We believe that nobody should face exclusion due to financial disadvantage or disability. More than opening up the canal as a recreational resource for all to enjoy, our stimulating and inclusive projects seek to narrow the outcomes gap by giving all sections of the community equal chance to participate in activities and training initiatives that may otherwise be beyond their financial or physical means.

This section includes links to our core policies which ensure that all services run by The Pirate Castle comply with current best-practice and legislation. Customer guidelines are also included to help you prepare for your visit.
